Digital Designer based in London

kate.prasolek@gmail.com

07479929600

I'm a well seasoned designer with **in-house**, freelance and **SaaS** experience. I take pride in my work as it is grounded in **data-driven** insights and **user experience**, and crafted with great attention to detail. My success is built on a strong sense of ownership and a **proactive problem-solving mindset**, ensuring commercial optimisation and innovation.

Digital & Graphic Designer - arteKatie Handmade, London (Jan 2020 - present)

- Build **landing and product pages** for **e-commerce**; create **digital and print campaigns assets**
- Product research, **product design** & creation, product photography and photo retouching
- Ensure **cohesive look and feel across all touchpoints** and channels; digital marketing & SEO

Senior Digital Designer - Mention Me, London (Jan 2024 - Jul 2024)

- **Pro-actively enhance designs for conversion** and performance by identifying improvement points
- Conduct **design workshops** presenting mock-ups and **prototypes** offering value and A/B testing
- Collaborate with product/UX teams to **improve platform UI** for internal and external use
- Migrate all clients and their campaigns to the **updated, optimised UI** templates
- Contribute to building and testing **new CSS framework**; create Confluence articles to **share knowledge**

Middleweight Digital Designer - Mention Me, London (Jul 2022 - Jan 2024)

- Create with **HTML/ CSS referral demo pages** for new clients based on website styling and imagery
- Update client's campaigns based on design requests; provide **artworking** for clients
- **QA Testing**, ensuring compliance with brand guidelines and design consistency across all touchpoints including desktop, tablet and mobile websites, emails, corner peels, banners and styled links
- Troubleshoot and solve client's queries by **finding optimal visual and technical solution**
- Create Feefo banners using HTML/CSS; upload them using **Github** and perform live testing
- **Collaborate** with ops, onboarding, and client success teams to **deliver expected results within the SLA**

Digital Designer - Lidl GB, London (May 2021 - Jul 2022)

- Create homepages, landing pages, campaign pages in **multiple CMS** alongside all assets needed
- Build **weekly email newsletters**, inc. still and animated assets for multiple campaigns simultaneously
- Develop templates to **streamline the workflow** (emails and files templates)
- Work collaboratively with multiple teams for sign off and in a **fast paced, deadline driven environment**
- Ensure **compliance with brand guidelines** and **design consistency** across all formats and channels

Graphic Designer - Wex Photo Video, London (Feb 2018 - Jan 2020)

- Create digital assets such as **HTML emails, website banners, gifs, and social media imagery**
- Create print designs such as brochures, leaflets, magazine ads, OOH and large-format prints
- **Work simultaneously** on multiple digital and print projects, **adhering to tight deadlines**
- **Supervise** magazines' schedules, liaising with publishers and printers
- Ensure compliance with brand guidelines and **design consistency** across all formats and channels

Freelance Graphic Designer - London (May 2016 - May 2021)

- Website and email redesigns **improving the UI & UX** - research, wireframes and prototypes.
- Create **from brief to completion** digital and print marketing collaterals for diverse clients.
